

LCA 6th – 8th grade JH Volleyball Player Interest Letter

Dear Parents,

I would like to begin by telling you that I am very excited about the future of LCA Volleyball and the opportunity to help guide your daughters down the path of becoming first class student-athletes.

We will be working diligently to get ready for our 2021 JH Volleyball season. “Try Outs” will start:

**Monday, August 9th – Wednesday, August 11th
10:00 – 12:00**

This will be a great chance for your daughter to try out the sport and see if this is something they would like to do. If your daughter has any interest in being apart of the team, please come on the 9th-11th and try it out! If they know for sure they would like to play, they should be there too.

Bring water and wear comfortable clothes to work out in.

Before school practices will start the same week, but in the afternoons. You should know for sure if you would like to play by then.

**Thursday, August 12th, Friday, August 13th, and Monday, August 16th
2:30-4:30**

Once the school year begins all practices will be held on Monday, Wednesday, and Friday; practices will start at 2:45 in 8th period and end at 4:00 pm (just 30 minutes after school ends). These times might change. We are looking forward to having a highly competitive season this year. All games will be on Tuesdays and Thursdays, usually around 4:30. I will send out those times once they are confirmed.

We can also have a few home school girls play with us. If you know anyone that is interested, please forward them this letter and get them in contact with me. The more the merrier! 😊

We recognize that parental support of our program is paramount. We would like to ask all parents to support the program at all levels and specifically ask for your support in helping with different activities.

We want to always encourage communication. We will work hard to have all pertinent information posted on the LCA school calendar, information will include dates and times for games and much more! We have an open-door policy; your concerns are our concerns, and we are all in this together!

PARENTS:

The participation fee will be \$275 for the season for all LCA fulltime students and \$300 for non-registered students/home school participants. Return portion below and check no later than **Monday, August 9th**, into the LCA office. **The physical form is located on the school website and is due no later than the first work out (Monday the 9th)**. If you have any questions about practices and games, please do not hesitate to contact me at elizabeth.speer@lakelandchristian.org. If you have questions about payment options, please contact the school office. Thank you for your participation in LCA Volleyball and we are looking forward to a great season!!
